Dear Deanna Jaxine Stinson aka Wish Fire:

Thank you for your interest in donating the publications: ***Jewel, Bear Moon, Shamrock, Mercury Moon Magazine Venus and Ghost***, for addition to the Library's collections. After consultation with subject specialists, your items have been determined as out of scope for our collections. Therefore, your donations will not be added to the Library's collections.

If you wish to offer donations in the future, please submit those offers via our online web form located at <https://www.loc.gov/acq/gifts/>. Library staff will review the offer and follow up to let you know if it is selected for the collection and provide specific shipping instructions when needed.

If you would like your items returned to you, please reply within thirty days of this letter with your preferred return address. If not, the publications are forwarded to our Exchange or Surplus Books Program where they will fill a special need.

Sincerely yours,

AC for Jennifer Baum
